POWERFUL PROJECT

PATIENCE

Teens & Adults

First & Last Name: _____

The Powerful Word of the month is “patience.” One might argue that there are times to be patient and there are times that you just need to move forward and make it happen. Do you agree? Think of 2 times in your life that illustrate these opposite approaches to progress. What were the benefits and drawbacks to each approach?

1

A time I showed great patience in my life was... _____

What were the benefits, if any, to this approach? _____

What were the drawbacks, if any, to this approach? _____

2

A time I did not show patience in my life was... _____

What were the benefits, if any, to this approach? _____

What were the drawbacks, if any, to this approach? _____

How patient are you on a scale from 1 to 5 (1 = not at all and 5= very patient)?
