Courtesy means showing kindness, respect and consideration for others. As leaders, it's important to pass on our views about each Powerful Word. Below, create your Courtesy Commandments (*i.e. Thou shalt not say "yuck" at the table*) based on 10 areas. What do you see as the most important aspects of courtesy? Some areas to consider: At the table, waiting to pay at a store, on the phone, greeting people, dealing with rude people, dealing with food you don't like, gossip, courteous language, messes, etc.
